Chinook Farms – Grass Fed Beef Order Form

www.chinookfarms.com or info@chinookfarms.com

Thank you for your interest in our grass fed beef. Our cattle graze on pastures that are never sprayed with chemical herbicides or pesticides. The cows are never given any grain, hormones, or other growth stimulants, and are 100% grass fed and finished. We offer our beef in quarter, half, or whole animals, but strongly encourage customers to find a friend(s) with whom to split a half. Orders for quarters may be delayed until we are able to match you with another 'quarter' order.

Pricing effective Feb 20, 2022. Prices are subject to change without notice.

Actual weights will be certified by the butcher prior to dry aging (typically 14 days) in cold storage. Then the meat is cut and wrapped, yielding 60-65% of the hanging weight. This is the usual and customary way of purchasing beef in bulk.

Other Fees:

- Field butchering and transport to butcher shop, payable to Chinook Farms:
  - $120/whole, $60/half, $30/quarter
- Cut, wrap, and freezing: $1/lb (estimated), payable to the butcher shop upon pick up.

Note: Ground beef price includes butcher's fees
